The assignment will be assessed using the following criteria:

1) Does the submission include the file "SuperPower.java"?
2) Does the file include a public class called "SuperPower"?
3) Does the class include a public method called "main"?
4) Is the "main" method static?
5) Does the main method have a String assignment statement that uses "JOptionPane.showInputDialog"?
6) Does the main method have a statement that uses "JOptionPane.showMessageDialog"?
7) Does the program convert the String from "JOptionPane.showInputDialog" using the "toUpperCase" method?
8) Does the submission include a screenshot that shows an Input dialog that asks, "What is your superpower?"
9) Does the submission include a screenshot that shows a Message dialog stating "<power> TO THE RESCUE!", where "<power>" is the input converted to upper case?
